

German-Indian Aerospace Forum

20th August 2024 | 10:30 - 12:30 CEST / 14:00 – 16:00 IST

Digital event (ZOOM)

The aim of the event is to initiate possible cooperation between Indian and Niedersachsen companies in the aerospace industry. After the locations, their aerospace industries and potential opportunities have been presented, there will be short presentations by three companies from each of the two markets, who will introduce their expertise and offerings. Finally, various breakout sessions will provide the opportunity to exchange ideas and initiate cooperation.
